TOTAL	\$2550	\$2925	\$2550	\$2100	\$7900

Notes / Caveats:

- Final purse distribution for each respective category on race day is based on final number of registered participants and solely at the discretion of TDVI organizers.
- Masters 1 racers will receive the higher of the purse amount for overall race standing or Masters 1 standings. Should a Masters 1 racer be eligible for a higher purse amount on overall standing, he/she will receive the higher amount, not both. The next highest placing Masters 1 racer will then be eligible for that Masters 1 purse amount.
- In the last three years, the TDVI paid out the total purse in all race categories EXACTLY as advertised. While we cannot guarantee payouts, we are confident that the purse payouts as noted for each category can be achieved.
